Great...” Written on:  
25/04/2009. Honda  
Sabre 1100 (2004) is my  
first bike! Great  
handling even for a  
novice rider. Too much  
or too little power? Not  
at all: It has enough and  
more to excite and  
maneuver out of trouble.  
Comfortable on long  
trips, enjoyable around  
town.
