A Small Corner of Hell | UK education collection

Hell's Corner is the blockbuster finale to David Baldacci's phenomenal Camel Club series. On the night of the State Dinner honouring the British Prime Minister, Oliver Stone witnesses an explosion as the motorcade leaves the White House. A bomb has been detonated in what looks like a terrorist plot directed at the President and the Prime Minister.

Small Corner of Hell

Chechnya, a 6,000-square-mile corner of the northern Caucasus, has struggled under Russian domination for centuries. The region declared its independence in 1991, leading to a brutal war, Russian withdrawal, and subsequent "governance" by bandits and warlords. A series of apartment building attacks in Moscow in 1999, allegedly orchestrated by a rebel faction, reignited the war, which continues to rage today. Russia has gone to great lengths to keep journalists from reporting on the conflict; consequently, few people outside the region understand its scale and the atrocities\described by eyewitnesses as comparable to those discovered in Bosnia\committed there. Anna Politkovskaya, a correspondent for the liberal Moscow newspaper Novaya gazeta, was the only journalist to have constant access to the region. Her international stature and reputation for honesty among the Chechens allowed her to continue to report to the world the brutal tactics of Russia's leaders used to quell the uprisings. A Small Corner of Hell: Dispatches from Chechnya is her second book on this bloody and prolonged war. More than a collection of articles and columns, A Small Corner of Hell offers a rare insider's view of life in Chechnya over the past years. Centered on stories of those caught-literally-in the crossfire of the conflict, her book recounts the horrors of living in the midst of the war, examines how the war has affected Russian society, and takes a hard look at how people on both sides are profiting from it, from the guards who accept bribes from Chechens out after curfew to the United Nations. Politkovskaya's unflinching honesty and her courage in speaking truth to power combine here to produce a powerful account of what is acknowledged as one of the most dangerous and least understood conflicts on the planet. Anna Politkovskaya was assassinated in Moscow on October 7, 2006. "The murder of the journalist Anna Politkovskaya leaves a terrible silence in Russia and an information void about a dark realm that we need to know more about. No one else reported as she did on the Russian north Caucasus and the abuse of human rights there. Her reports made for difficult reading\and Politkovskaya only got where she did by being one of life's difficult people."Thomas de Waal, Guardian

Details the war in Chechnya from the perspective of a Russian journalist, discussing the history of the strife between Russians and Chechnyans that became war in the early 1990s and was renewed by terrorist attacks in 1999.

Recounts the story of the Chechens' struggle for independence and the Kremlin politics that precipitated it. The authors, both reporters on the scene during the war, trace the history of the conflict but focus on the military and political events of the war itself. They conclude with a discussion of the birth of an independent Chechnya. Several maps and a cast of characters are appended. Annotation copyrighted by Book News, Inc., Portland, OR

Tricky is one of the most original music artists to emerge from the UK in the past 30 years. His signature sound, coupled with deep, questioning lyrics, took the UK by storm in the early 1990s and was part of the soundtrack that defined the post-rave generation. This unique, no-holds barred autobiography is not only a portrait of an incredible artist - it is also a gripping slice of social history packed with extraordinary anecdotes and voices from the margins of society. Tricky examines how his creativity has helped him find a different path to that of his relatives, some of whom were bare-knuckle fighters and gangsters, and how his mother's suicide has had a lifelong effect on him, both creatively and psychologically. With his unique heritage and experience, his story will be one of the most talked-about music autobiographies of the decade.

View our feature on Ann Aguirre's Hell Fire.The second in the thrilling national bestselling series As a handler, Corine Solomon can touch any object and know its history. It's too bad she can't seem to forget her own. With her ex-boyfriend Chance in tow-lending his own supernatural brand of luck-Corine journeys back home to Kilmer, Georgia, in order to discover the truth behind her mother's death and the origins of "gift". But while trying to uncover the secrets in her past, Corine and Chance find that something is rotten in the state of Georgia. Inside Kilmer's borders there are signs of a dark curse affecting the town and all its residents-and it can only be satisfied with death...

"The best book to have been written about the Vietnam War" (The New York Times Book Review); an instant classic straight from the front lines. From its terrifying opening pages to its final eloquent words, Dispatches makes us see, in unforgettable and unflinching detail, the chaos and fervor of the war and the surreal insanity of life in that singular combat zone. Michael Herr's unsparing, unorthodox retellings of the day-to-day events in Vietnam take on the force of poetry, rendering clarity from one of the most incomprehensible and nightmarish events of our time. Dispatches is among the most blistering and compassionate accounts of war in our literature.

I fell into the deepest of holes. I am no one. I awake in a windowless room--naked, filthy, bruised, robbed of my every memory. I feel inexplicably drowned in a sea of hatred and rage. I...don't know who I am. But I know I must escape. This is Matt Wells, hero of The Death List and The Soul Collector, as you've never seen him. Crime writer Matt Wells could never have conjured a plot this twisted--a secretive militia running sick brainwashing experiments in the Maine wilderness, himself a subject. He knows they've been subconsciously feeding him instructions...but for what? Taunted by maddening snatches of a life he can't trust as his own, Matt's piecing it together: three gruesome killings he's blamed for...and a woman...someone from his past he should remember.

The jagged peaks of the Caucasus Mountains have hosted a rich history of diverse nations, valuable trade, and incessant warfare. But today the region is best known for atrocities in Chechnya and the 2008 war between Russia and Georgia. In Let Our Fame Be Great, journalist and Russian expert Oliver Bullough explores the fascinating cultural crossroads of the Caucasus, where Europe, Asia, and the Middle East intersect. Traveling through its history, Bullough tracks down the nations dispersed by the region's last two hundred years of brutal warfare. Filled with a compelling mix of archival research and oral history, Let Our Fame Be Great recounts the tenacious survival of peoples who have been relentlessly invaded and persecuted and yet woefully overlooked.

In 2013, the United States suffered its worst terrorist bombing since 9/11 at the annual running of the Boston Marathon. When the culprits turned out to be U.S. residents of Chechen descent, Americans were shocked and confused. Why would members of an obscure Russian minority group consider America their enemy? Inferno in Chechnya is the first book to answer this riddle by tracing the roots of the Boston attack to the Caucasus Mountains of southern Russia. Brian Glyn Williams describes the tragic history of the bombers' war-devastated homeland-including tsarist conquest and two bloody wars with post-Soviet Russia that would lead to the rise of Vladimir Putin-showing how the conflict there influenced the rise of Europe's deadliest homegrown terrorist network. He provides a historical account of the Chechens' terror campaign in Russia, documents their growing links to Al Qaeda and radical Islam, and describes the plight of the Chechen diaspora that ultimately sent two Chechens to Boston. Inferno in Chechnya delivers a fascinating and deeply tragic story that has much to say about the historical and ethnic roots of modern terrorism.

Someone is killing off the great dog trainers of the world\and it's up to PI Rachel Alexander and her pit bull, Dash, to collar the murderer Rachel has just been hired as undercover security at a dog-training symposium at a posh Manhattan hotel. How can the Greenwich Village PI and her pit bull, Dashiell, turn down the hefty fee, plus free room and biscuits at the Ritz? All Rachel has to do is keep the peace among the competitive diva dog trainers who have come with their prize pooches from all corners of the globe. She and Dash have barely infiltrated the festivities when they find out that one of the trainers, the self-proclaimed guru of a controversial obedience technique, has been electrocuted in his bathtub. The cops are calling it an accident. Until another trainer dies . . . and then another. With suspects including a dog psychic and a behaviorist to the stars, Rachel discovers that it's the humans who need to be housebroken as she and Dash bring a serial killer to heel. A Hell of a Dog's the 3rd book in the Rachel Alexander and Dash Mysteries, but you may enjoy reading the series in any order.
