beginner's guide. I had to purchase it for my intro to programming class, and I think my instructor said it perfectly. This will not make you a C programmer, but it will introduce you to the basic concepts, show you how things are structured, and will prepare you (should you desire to continue learning C) for the more advanced material.

This beginner's guide to getting in shape will show you how to start working out again! I consider myself an absolute beginner because I've sadly never prioritized exercise for myself, haven't exercised in years, and have an almost non-existent core. Add in my back and neck problems, and I'm at square one!

Set a rack in the top third of your oven and set an inverted baking sheet on the rack. Preheat the oven as high as it will go. When your pizza and your oven are ready, add your pizza to the pan and then switch on your oven's broiler. This cooks the pizza from all sides with the highest heat your oven can produce.
