Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.

During the 2016 presidential election, America's election infrastructure was targeted by actors sponsored by the Russian government. Securing the Vote: Protecting American Democracy examines the challenges arising out of the 2016 federal election, assesses current technology and standards for voting, and recommends steps that the federal government, state and local governments, election administrators, and vendors of voting technology should take to improve the security of election infrastructure. In doing so, the report provides a vision of voting that is more secure, accessible, reliable, and verifiable.

A fresh, accessible perspective on the fundamentals

Peterson's Master the GED: Social Studies Review offers readers an in-depth review of the subject matter for this particular GED test. Readers who need additional practice for the Social Studies Test, will benefit greatly from lessons and practice questions on: History (from early civilizations through all of U.S. history up to today) Civics and government (for both United States and Canada) Economics Historical documents on the GED Social Studies Test Canadian history Master the GED: Social Studies Review is part of Master the GED 2011, which offers readers 3 full-length practice tests and in-depth subject review for each of the GED tests-Language Arts, Writing (Parts I and II); Language Arts, Reading; Social Studies (including Canadian history and government); Science; and Mathematics (Parts I and II)-as well as top test-taking tips to score high on the GED..

This convenient Portable Version of O ' Connor/Sabato ' sAmerican Government: Continuity and Changefeatures all the content of the original comprehensive text split into four lightweight, paperbacks—Foundations, Institutions, Political Behavior, and Public Policy—plusnewpractice tests for students found at the back of each volume. Guided by the belief that students must first understand how American government developed over more than two centuries to fully understand the issues facing the United States today, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. American Government: Continuity and Change, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to the conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts.

Woven through this text is the unifying theme that American politics represents “ conflict and compromise, ” in direct opposition to the increasingly commonly held view that all politics are dirty and all politicians are crooks. By presenting a balance of essential factual content with a broad assessment of system dynamics and their policy effects, the authors provide an accessible yet sophisticated overview of American politics.Features: Coherent theme of “ conflict versus compromise ” in the American political system Consistent examination of American history for institutional development Emphasis on the positive role of citizenship in shaping good government Each chapter is accompanied by primary source readings Concise 12 chapter format Our computerized test bank is available for PC based Windows operating systems. Over 1000 test items (including multiple choice, true-false, short answer and essay questions) are offered via the ESATEST 2000 system. This system includes numerous options for creating and editing tests, options for creating multiple versions of a single test, and allows professors to administer tests via LAN or Web-based testing centers. A simple, user-friendly interface, along with animated program guides add to the program's ease of use.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

This convenient Portable Version of Edwards/Wattenberg/Lineberry,Government in America: People, Politics, and Policyfeatures all the content of the original comprehensive text split into four lightweight, paperbacks—accompanied by new practice tests at the back of each volume. Framing its content within a resonant “ politics matters ” themeandemphasizing public policythroughout,Government in Americaincludes the impact that government has on the daily lives of each and every American, motivating students to become active participants in all aspects of our political system, andhelping overcome the biggest challenge instructors face in this course -- student apathytoward government.
