John Groover (1800 - 1881) - Genealogy

Description. (Guitar Educational). The years 1945-1965 saw a radical and exciting shift in American popular music. Blues and swing jazz helped to produce a new musical form called rhythm and blues, which in turn set in motion the development of soul and funk, not to mention rock 'n' roll. What united these genres was an emphasis on the beat, or the groove, over the melody that would culminate in the syncopated monochord workouts of funk.
