Reference

Magistrates in the court take character references into consideration when handing down a sentence for someone found guilty of a crime. The purpose of a character reference is to provide insight into the character of the person and to portray how he is viewed by the community.

How to write a character reference for court

In a criminal trial, this affirmation is best seen in something so mundane as a character reference. Once a defendant has been convicted, the atmosphere in a court becomes sombre, even grim.

Trial courts hear cases at 'first instance'. This refers to the first time that a case is heard in court, before any appeals. They consider the matters of fact and law in the case and make an appropriate ruling. Appellate courts consider the application of legal principles to a case that has already been heard at first instance.
