This international survey celebrates the diversity and vitality of design through the 20th century, while highlighting the output of specific designers styles and movements. With over four hundred detailed entries, this encyclopaedic work presents a comprehensive overview of design and its most eminent practitioners over the last one hundred years, from Aalto to Panton and Mendini to Zanuso. Covering all aspects of design - industrial products, interiors, furniture textiles, glass ceramics and graphics -, this book is an essential reference work that provides detailed biographical and historical information with over seven hundred colour illustrations. and historical inf with over seven 1 illustrations

This text is a journey through the shapes and colours, forms and functions of design history in the 20th century. It contains an A-Z of designers and design schools, which builds into a complete picture of contemporary living.

"Illustrated with over 500 photographs, A Century of Design is unique in providing a designer-by designer review within a historical context, revealing the connections between designers and major design movements from around the world from Art Nouveau to Postmodernism and beyond. Each chapter explains the background and origins of the century's most important style movements, period by period. The most influential internationally known designers of the 20th century are discussed, their major works are featured and their sources of inspiration outlined. A Century of Design covers everything from telephones to textiles, cutlery to computers."--BOOK JACKET.

"Each object is examined in color photographs and illustrations of its use, together with a brief biography of the designer and additional fascinating information illuminating our contemporary design culture." --Cover.

With over five hundred color reproductions, Graphic Design 20th Century represents a pictorial history of the last hundred years in graphic design. Alston Purvis presents all the significant designers of the twentieth century as well as the many styles that characterized this rich and tumultuous period: Art Nouveau, Arts and Craft, the Viennese Secession, the Russian Avant-Garde, Punk, New Wave, and computer graphics are just a few of the subjects discussed in this essential reference book. The wealth of visual material presented, including iconic works by Aleksandr Rodchenko, H. Th. Wijdeveld, Frank Lloyd Wright, Paul Rand, Piet Zwart, Saul Bass, among many others, makes this a truly enjoyable and inspiring read and a handy guide for any designer, artist, or student.

Revised and expanded, this survey of 20th-century interior design includes discussions on Art Nouveau, Bauhaus, Art Deco, the Modern Movement, Hi-Tech & Green. All types of interiors are explored & set within their economic & cultural contexts.
