Epicor Planning and Scheduling - ERP Software from ...

As much as Epicor ERP systems can streamline and simplify, they are still intricate programs that require education and fresh training. Our training approach is designed to help professionals absorb critical information and quickly get up to speed. Our goal is to get people trained, confident, and back to work quickly.

Epicor ERP Training | ComTec Solutions

Epicor ERP - cost of training: Relevant for Epicor ERP As a software buyer, you are required to pay extra for in-person training, though some vendors offer web-based training as part of the package. Training cost may involve end-user training, video/self training, group training, department training, and train the trainer.

Epicor ERP Pricing & Cost - Why 6/10? | ITQlick

Cons: Epicor ERP is expensive software, and since it's such a wide product that handles so many aspects of your business, setup really must be done according to Epicor's recommendations and completed thoroughly. Also, since it's so flexible, there is a lot of it that you won't use, so it's best to create clear work instructions for your team and/or hide fields and/or functions that you will ...
