metric frameworks and architecture  
platforms

This paper explores insolvency and debt recovery procedures, and political, legal, and institutional factors influencing financial decisions of corporations and banks during pre-crisis years in six Asian

# Online Library International Corporate Recovery

**Procedures**. It also examines whether these factors may have contributed to the depth and duration of the 1997 crisis. There are two key findings: First, bank behavior and other institutional factors, and not the nature of stakeholder orientation, seem to explain variations in capital structures and the depth of recessions across economies.

# Online Library International Corporate Recovery

Second, aspects of insolvency procedures favoring rehabilitation of “ financially distressed ” firms seem to explain well the expected duration of the crisis.

Provides an in-depth analysis of some of the most recent challenges for international businesses, such as corporate

# Online Library International Corporate Recovery

social responsibility and the phenomenon of outward foreign direct investment from China. Reflects on the new perspectives in international business by presenting the experience of successful business experts in the field.

The global marketplace brings with it

# Online Library International Corporate Recovery

Procedures  
significant benefits to businesses, but it also increases the risk of cross-frontier insolvencies. Although there have been steps in recent years towards creating a more uniform system, insolvency practitioners are still finding themselves confronted by the problems of widely differing insolvency regimes on an

# Online Library International Corporate Recovery

International scale. The question of access to foreign jurisdictions and recognition of foreign insolvency orders is critical if practitioners are to successfully carry out their appointed tasks. Recognition and Enforcement of Cross-Border Insolvency covers 36 countries and provides a succinct and invaluable practical guide to

# Online Library International Corporate Recovery

**Procedures** their policies and laws when dealing with insolvency proceedings originating in another jurisdiction. Each country chapter is uniformly structured around the following headings: ?
