helps him survive alone in the wilderness.

By order of the Duke, Walter the Baker must invent a tasty roll through which the rising sun can shine three times.

The Republic of Color delves deep into the history of color science in the United States to unearth its origins and examine the scope of its influence on the industrial transformation of turn-of-the-century America. For a nation in the grip of profound economic, cultural, and demographic crises, the standardization of color became a means of social reform—a way of sculpting the American population into one more amenable to the needs of the emerging industrial order. Delineating color was also a way to characterize the vagaries of human nature, and to create ideal structures through which those humans would act in a newly modern American republic. Michael Rossi ' s compelling history goes far beyond the culture of the visual to show readers how the control and regulation of color shaped the social contours of modern America—and redefined the way we see the world.

The Fox is after Rosie, but Rosie doesn't know it. Unwittingly, she leads him into one disaster after the other, each funnier than the last. To enjoy Rosie's walk as much as Rosie does, just look inside!

'The Pig in the Pond' features a very hot and bothered pig! Narrated by comedian Harry Enfield, this is sure to be a favourite picture book and CD pack for children to read and listen to.

Combine a suspenseful murder mystery with theology and you have *The Rector* -- an allegory of Christ's ministry. Martha McRae is a widow living in a small Mississippi Delta town in the 1950s. She's obsessed with the sudden death of her Episcopal church's young rector. A murderer could go free if she doesn't investigate. But Martha is torn. If she pursues the suspect, her Bible study friend's awful secret could be revealed. It would be devastating, and life-changing. When the new rector arrives, she encounters new puzzle to solve -- one that takes her into Parchman Penitentiary where she comes face to face with evil.

An ingenious retelling of the classic fairy tale that will have young readers wondering who the real villain is. From New York Times Best Illustrated Book-winner Bethan Woollvin. "Delicious." Kirkus Reviews "Wicked fun." The Horn Book Magazine Deep in the forest lives a witch named Willow. She is a good witch who only uses good magic until she meets Hansel and Gretel. Willow never used to worry about messy breadcrumb trails. Or entire portions of her gingerbread house being devoured. Or anyone fiddling with her spells and magic books and causing a ruckus. But Hansel and Gretel are two very naughty and very rude children, and they are trying Willow's patience. This subversive retelling of "Hansel and Gretel" from Bethan Woollvin, award-winning creator of *Little Red* and *Rapunzel*, features striking and humorous visuals and a deliciously wicked twist ending that is sure to surprise
