The New York Times Fiction Best Sellers  
of 2018 - Wikipedia

I bought the book believing it would be updated to reflect the newest changes in the SHSAT. While it has changed the number of grammar from 20 to 10 it does not include any poetry (a problem area for many students) and all the reading passages (maybe save 1 or 2) are the same as in previous editions. I would not buy if you own previous editions.
