Zhong Liren, 27, was a nurse at the hospital. He had an opportunity to sneak into the nurse's office because the head nurse had something to do. She still remembered two years ago when she had just arrived at this hospital to work and had already received her "first patient", her boyfriend Zheng Hang. At that time, Zheng Hang had just graduated from university and started his own business. Within a year, Zheng Hang had started his own business from running a business to owning a company, to becoming bankrupt and finally committing suicide by jumping out of his own office. In just two short years, everything had changed, all his happiness vanished into nothingness at the moment of Zheng Hang's suicide.

"Fans of Leigh Bardugo's Grishaverse will flock to this new series." --Booklist Games of Thrones meets Shadow and Bone in this action-packed fantasy from the internationally bestselling author of the Nightshade series. Ara has always known the legend of the Loresmith: the blacksmith who served alongside the kings and queens of Saetlund, forging legendary weapons to arm warriors and protect the kingdom. She's been told it's her fate to inherit the title and become the next Loresmith. But since the monarchy's downfall in a vicious conquest years before, Ara has never truly believed she would be able to take up her duty. But when the lost Princess Nimhea and Prince Eamon steal Ara from her quiet life with a mission to retake the throne and return Ara to her place as the Loresmith--Ara's whole world turns upside down. Suddenly, Ara must leave her small mountain village and embark on a dangerous adventure where she will uncover new truths about her family's legacy, and even face the gods themselves. With a mysterious thief as an unexpected companion, and dark forces following their every move, Ara must use all her skills to forge the right path forward--for herself, her kingdom, and her heart. From internationally bestselling author Andrea Roberston comes a gorgeously written new fantasy series perfect for readers of Leigh Bardugo's Grishaverse or Sabaa Tahir's An Ember in the Ashes series. Praise for Forged in Fire and Stars: "An epic and classic fantasy." --School Library Journal "Epic fantasy isn't usually my thing, but Forged in Fire and Stars made me a believer." --TOR.com

"After suffering betrayals and losses, Ara, Nimhea, Lahvja, and Teth must try to come together and find the Loreknights across the kingdom"--

In a world where magic and technology exist side by side, Zarim and his crew of sky-pirates live on the fringes of society, stealing what they can and evading the authorities. But a debt of honor compels Zarim to take on the dangerous task of seeking out five mystic artifacts before a sorcerer with power both mystic and political can obtain them. Zarim and his crew must seek out unlikely allies and traverse uncharted territories filled with all manner of strange beings. For if they fail in their quest, control over reality itself will fall into the darkest of hands!
