Making your bed will also reinforce the fact that little things in life matter. If you can't do the little things right, you will never do the big things right. And, if by chance you have a miserable day, you will come home to a bed that is made – that you made – and a made bed gives you encouragement that tomorrow will be better.

Make Your Bed. The small things we do ARE the big things because they make up our entire daily routine. What we do on a consistent basis screams back at us who we are as a person. It molds our character and thus determines our destiny. Therefore, you want to stop doing the things that are hurting your growth and put more energy into the ones that augment and empower you. The first thing you need to do is making your bed every morning.
