Shetland Series through Raven Black. I enjoyed this book so much that I am halfway through reading the entire series. The first book introduced the characters that have gone on to have a life of their own in the next books. A very clever mystery series that seems to get better with each following book.

Winner of Britain's coveted Duncan Lawrie Dagger Award, Ann Cleeves introduces a dazzling new suspense series to U.S. mystery readers. Raven Black begins on New Year's Eve with a lonely outcast named Magnus Tait, who stays home waiting for visitors who never come. But the next morning the body of a murdered teenage girl is discovered nearby, and suspicion falls on Magnus. Inspector Jimmy Perez enters an investigative maze that leads deeper into the past of the Shetland Islands than anyone wants to go.

A remote community, touched by evil - would you know who to trust?

A remote community, touched by evil - would you know who to trust?Raven Black is the first book in Ann Cleeves' Shetland series - which is now the major BBC1 drama starring Douglas Henshall. SHETLAND.It is a cold January morning and Shetland lies buried beneath a deep layer of snow. Trudging home, Fran Hunter's eye is drawn to a vivid splash of colour on the white ground, ravens circling above. It is the strangled body of her teenage neighbour Catherine Ross. As Fran opens her mouth to scream, the ravens continue their deadly dance . . .The locals on the quiet island stubbornly focus their gaze on one man - loner and simpleton Magnus Tait. But when police insist on opening out the investigation a veil of suspicion and fear is thrown over the entire community. For the first time in years, Catherine's neighbours nervously lock their doors, whilst a killer lives on in their midst.Also available in the Shetland series are White Nights, Red Bones, Blue Lightning and Dead Water. Ann Cleeves' Vera Stanhope series (ITV television drama VERA) contains five titles, of which The Glass Room is the most recent.

Introducing Inspector Jimmy Perez. Raven Black is the first book in Ann Cleeves' bestselling Shetland series – a major BBC One drama, starring Douglas Henshall. A remote community with a killer in their midst . . . On New Year ' s Day Shetland lies buried beneath a deep layer of snow. Trudging home, Fran Hunter's eye is drawn to a vivid splash of colour on the white ground, ravens circling above. It is the strangled body of her teenage neighbour. As Fran opens her mouth to scream, the ravens continue their deadly dance . . . The body is found close to the home of a lonely outcast and local suspicion falls firmly on him. But when Inspector Jimmy Perez insists on broadening the search for suspects, a veil of distrust and fear is thrown over the entire community. As the case develops Perez finds himself peering deeper into the past of the Shetland Islands than anyone wants to go. Also available in the Shetland series are White Nights, Red Bones, Blue Lightning, Dead Water and Thin Air.

In this gloriously illustrated companion to her novels, Ann Cleeves takes readers through a year on Shetland, learning about its past, meeting its people, celebrating its festivals and seeing how the flora and fauna of the islands changes with the seasons. An archipelago of more than a hundred islands, it is the one of the most remote places in the United Kingdom. Its fifteen hundred miles of shore mean that wherever one stands, there is a view of the sea. It has sheltered voes and beaches and dramatically exposed cliffs, lush meadows full of wild flowers in the summer and bleak hilltops where only the hardiest of plants will grow. It is a place where traditions are valued and celebrated, but new technologies and ways of working are also embraced. Whether it is the drama of the Viking fire festival of Up Helly Aa in winter, or the piercing blue and hot pink of spring flowers on the clifftops, the long, white nights of midsummer or the fierce gales and high tides of autumn, Shetland is vividly captured in all its bleak and special beauty.

Raven Black is the first book in the Shetland series, from Ann Cleeves, the number one bestselling author and creator of Vera, Shetland, and The Two Rivers series.

CWA Diamond Dagger winner Ann Cleeves ' s Shetland Island series has long been beloved both by fans who have been intrigued by Detective Inspector Jimmy Perez from the very first page, and recent converts drawn in by the brilliant BBC series Shetland. Set in the most northerly community in the UK, the islands have a stark beauty that provides the backdrop for Jimmy ' s quietly intense cases. Here together for the first time in a fantastic low-priced eBook bundle are the first four Shetland Island mysteries: Raven Black: Winner of the coveted Duncan Lawrie Dagger Award, Raven Black begins on New Year ' s Eve with lonely outcast Magnus Tait. When the body of a murdered girl is discovered, suspicion falls on Magnus, and Inspector Jimmy Perez enters an investigative maze that leads deeper into the past of the Shetland Islands than anyone wants to go. White Nights: The launch of an exhibition at The Herring House art gallery is disturbed by a stranger who bursts into tears then claims not to remember who he is or where he comes from. The next day he ' s found dead, and Jimmy must follow the winding trail the stranger has left behind to its conclusion. Red Bones: When a young archaeologist discovers a set of human remains, the locals are intrigued. Is it an ancient find—or a more contemporary mystery? Then an elderly woman is fatally shot, and Jimmy Perez is called in. In Red Bones, a claustrophobic mist swirls around the Shetland Islands, and Inspector Perez finds himself totally in the dark. Blue Lightning: Detective Inspector Jimmy Perez brings his fiancée home to Fair Isle, a birder ' s paradise, but when a woman ' s body is discovered at the island ' s bird observatory, the investigation is hampered by a raging storm that renders the island totally isolated. Jimmy has to find clues the old-fashioned way, and he has to do it quickly. There ' s a killer on the island just waiting for the chance to strike again.

The electrifying follow up to the award-winning Raven Black Raven Black received crime fiction's highest monetary honor, the Duncan Lawrie Dagger Award. Now Detective Jimmy Perez is back in an electrifying sequel. It's midsummer in the Shetland Islands, the time of the white nights, when birds sing at midnight and the sun never sets. Artist Bella Sinclair throws an elaborate party to launch an exhibition of her work at The Herring House, a gallery on the beach. The party ends in farce when one the guests, a mysterious Englishman, bursts into tears and claims not to know who he is or where he's come from. The following day the Englishman is found hanging from a rafter, and Detective Jimmy Perez is convinced that the man has been murdered. He is reinforced in this belief when Roddy, Bella's musician nephew, is murdered, too. But the detective's relationship with Fran Hunter may have clouded his judgment, for this is a crazy time of the year when night blurs into day and nothing is quite as it seems. A stunning second installment in the acclaimed Shetland Island Quartet, White Nights is sure to garner American raves for international sensation Ann Cleeves. This series is the basis for the hit BBC show Shetland, starring Douglas Henshall, which attracted over 12 million viewers in its first two nights on the air.

Ann Cleeves is back with the sixth book in her Shetland series featuring Inspector Jimmy Perez, whom readers will remember from Raven Black, White Nights, Red Bones, Blue Lightning, and Dead Water. A group of old university friends leave the bright lights of London and travel to Shetland to celebrate the marriage of one of their friends. But, one of them, Eleanor, disappears—apparently into thin air. It's mid-summer, a time of light nights and unexpected mists. And then Eleanor's body is discovered lying in a small loch close to the cliff edge. Detectives Jimmy Perez and Willow Reeves are dispatched to investigate. Before she went missing, Eleanor claimed to have seen the ghost of a local child who drowned in the 1920s. Her interest in the ghost had seemed unhealthy—obsessive, even—to her friends: an indication of a troubled mind. But Jimmy and Willow are convinced that there is more to Eleanor's death than they first thought. Is there a secret that lies behind the myth? One so shocking that someone would kill—many years later—to protect? Ann Cleeves' striking new novel is a quintessential whodunit with surprises at every turn.
