Is Statistics Science or Art. Subject: Business,
Business Statistics Topic: Assignment.
Science refers to a systematized body of
knowledge. It studies cause and effect
relationship and attempts to make
generalization in the form of science
principles or laws. Statistics is an art as well
as a science, so it ' s important to use it as
you would any other tool: you have to know
what you want to get out of your statistics
before you can choose the right way to apply
them.
