Similar to a telephone message book, a voicemail log book enables you to write down information about each caller in a devoted section of the page, so it's easy to glance through and see which calls are of the highest priority. Some voicemail log books also include check boxes so you can add visible checkmarks once calls have been returned.

Client Log Book: Customer Profile Log And Client Tracking ...

A call log is a form of log sheet where a record of an incoming and outgoing call is logged. It is a document used to record, track, and monitor calls for future reference. A call log is used to be able to find out who called, the purpose of the call, the date the call was made, and if there is a need to make a follow-up call.
