Readers of Wil Wheaton's website know he is a masterful teller of elegant stories about his life. Building on the critical success of *Dancing Barefoot* and *Just a Geek*, he has collected more of his own favorite stories in his third book, *The Happiest Days of Our Lives*. These are the stories Wil loves to tell -- the ones closest to his heart: stories about being a huge geek, about passing his geeky hobbies and values along to his own children, and about what it meant to grow up in the '70s and ...

The Happiest Days of Our Lives continues the tradition that Wil Wheaton started in the Audiobook version of *Just a Geek* Audiobook with what he and his friend David call "The Super Annotated Version" of the original printed version and more importantly it is Wil Wheaton's memories from his life (the way he remembers them, which I hear is different from how Wil Wheaton's mother remembers them...).

There is something about childhood that no other phase of your life can replace. When considered in the context of this lyrics alone, one would rightly assume that "the Happiest Days of Our Lives" is a sarcastic reference to the nostalgic idea that childhood should be the happiest time of anyone's life, that time well before one has to take a mindless 9 to 5 job, well before bills, car payments, a mortgage, relationship problems, the very weight of the world settled on one's shoulders.

The music is listenable and -- as the techno bonus disc also proves -- club danceable, the lyrics are mannered, depressing and banal all at once. On a few cuts the female singer Andrea Vaughn makes more of them than they deserve. Recommended downloads: The Happiest Days of My Life, Homeless Club Kids, Burning Hearts and the Black Cassette.

The actor covers his life after leaving the television series "Star Trek: the Next Generation," describing the pitfalls associated with being a former child star and his decision to launch his weblog in 2001.

The actor recalls memories from his life, including meeting William Shatner at a Star Trek convention and his relationship with his Aunt Val.

Even happy days come to an end. In this remarkable collection, Cressida Connolly explores the lives of children and young people who find themselves split in two. A conversation on a trip to the zoo heralds the end of a family; a boy watches his father fold Aunt Rose into his arms and loses his vocation; a young girl grows jealous of the attention paid to her dying sister. Examining familiar emotions--love, loss, jealousy, loneliness--with a fresh eye, *The Happiest Days* is an exciting, original, startling debut.

WINNER OF THE ABIA BIOGRAPHY OF THE YEAR 2021 Life can be beautiful if you make it beautiful. It is up to you. Eddie Jaku always considered himself a German first, a Jew second. He was proud of his country. But all of that changed in November 1938, when he was beaten, arrested and taken to a concentration camp. Over the next seven years, Eddie faced unimaginable horrors every day, first in Buchenwald, then in Auschwitz, then on a Nazi death march. He lost family, friends, his country. Because he survived, Eddie made the vow to smile every day. He pays tribute to those who were lost by telling his story, sharing his wisdom and living his best possible life. He now believes he is the 'happiest man on earth'. Published as Eddie turns 100, this is a powerful, heartbreaking and ultimately hopeful memoir of how happiness can be found even in the darkest of times. Discover how Dutch parents raise The Happiest Kids in the World! Calling all stressed-out parents: Relax! Imagine a place where young children play unsupervised, don't do homework, have few scheduled "activities" . . . and rank #1 worldwide in happiness and education. It's not a fantasy—it's the Netherlands! Rina Mae Acosta and Michele Hutchison—an American and a Brit, both married to Dutchmen and raising their kids in the Netherlands—report back on what makes Dutch kids so happy and well adjusted. Is it that dads take workdays off to help out? Chocolate sprinkles for breakfast? Bicycling everywhere? Whatever the secret, entire Dutch families reap the benefits, from babies (who sleep 15 hours a day) to parents (who enjoy a work-life balance most Americans only dream of). As Acosta and Hutchison borrow ever-more wisdom from their Dutch neighbors, this much becomes clear: Sometimes the best thing we can do as parents is . . . less!

You think your life is nuts? Since I was sixteen, I've spent time on Death Row, tried to sell my baby sister on the black market, been stranded at the altar (repeatedly), lied about my son's paternity, and fought viciously with just about everybody in town. Well, okay, it wasn't really me--it was my character, Sami Brady on Days of Our Lives. But like Sami, I've had my share of struggles. I've been told I was fat, watched fellow actresses starve themselves, been cruelly rejected, and wondered if I would ever date. (Hey, the first time I kissed a boy was in front of a TV camera!) There was even a time when I hated myself. Sound familiar? This is my story. It's an account of my years on daytime's most popular soap, and of my life off-screen--the major ups and downs, the craziness of Hollywood, balancing work and play, looking for love, concerns about weight, peer pressure, and finally learning to accept myself for who I am. I'll tell you fun stories about myself and my co-stars. . .recollections of my most memorable scenes. . .and everything you've always wanted to know about Sami. I think you'll find a lot in these pages that will remind you of all the days of your life. . .and perhaps inspire you to follow your own dreams in the days to come. Alison Sweeney was born in Los Angeles, one of three children of a concert violinist mother and a business investor father. Her acting career began when she was four years old. She had starring roles in the films The Price of Life and The End of Innocence. Alison joined the cast of Days of Our Lives as Sami Brady in 1993. In her years on the series, her character has evolved from a troubled teenager to a scheming villainess. In 2002, Alison won a fan-voted Emmy as America's Favorite Villain. She has also won the fan-voted Soap Opera Digest Award four times, and in 2001 was elected by the same publication as one of the Most Beautiful Women in Daytime Television. Soap Opera Weekly named Alison 1999's Breakout Performer of the year, and in Australia, she was voted "Best Bad Girl" in 2000 and 2001 by readers of Inside Soaps magazine. Alison lives in a suburb of Los Angeles with her husband, Dave.
