In other words, it is a technical language specifically originated as a language for legal professionals such as judges, lawyers, legal assistants and attorneys. Legal English is not a native language for these professionals. Therefore, they are required to learn this language from a technical context in order to perform well in the field of law.

The importance of learning legal English for lawyers | Bdaily

Those "some" (as in rare) lawyers' souls are the victims of their own success, profiles raised if not praised, and making money off personal nastiness which comes with its own language. Lawyers, every single one of them, from the day they write their first demand letter, to the day, at age 75 when they should retire, become one with a set of secret, seemingly common English words but which have lawyer written all over them. These words are by design intended to have double-meanings and are ...

Legal English Language Skills for Lawyers is an update to the popular book Legal English Skills for Lawyers and provides a practical guide in working in Legal English. Readers will be able to learn how to write letters, negotiate, conduct interviews and develop a deeper understanding of how Legal English works in contrast with General English and Business English.

"English as a Legal Language is a lawyer's plain language guide to English legal terminology. Anyone who finds it difficult to express legal terms in English simply looks under the general heading to find the relevant terms and their usage. This book can also be used to find explanations of words from a translating dictionary. Further, it is structured as a thesaurus, organized according to topic with an alphabetical index. More and more, lawyers need the English language. But attempts to convert the language to meet one's own purpose often result in misconceptions. English legal language has its roots in the Anglo-American legal tradition and the non-native speaking lawyer may have difficulty understanding a word choice in English without also seeing how it fits into legal thinking and relates to other words in the subject area as a whole. "English as a Legal Language offers a comparative lexicon of US and UK legal systems, with references to European legal systems. Special features of this work include: - The vocabulary of an entire area of law in each section; - A verb section which provides guidance on substantives, adjectives, adverbs, phrases, usage, as well as sample sentences and clues about typical mistakes; and - An index which gives an alphabetical rendition of the topically ordered definitions - essential for words that have multiple definitions. All lawyers working in English, and especially continental European lawyers, will find this book indispensable in their practices. The book is also of prime interest to business people, accountants, translators, legal secretaries and students. It will enable all practitioners and academics to express complex ideas inEnglish, to understand the intricacies of English as a legal language, and to avoid the potential mishaps, when language barriers prevent a true meeting of minds.

This history of legal language slices through the polysyllabic thicket of legalese. The text shows to what extent legalese is simply a product of its past and demonstrates that arcane vocabulary is not an inevitable feature of our legal system.

This practical handbook provides a comprehensive overview of professional legal language and practical skills. Prepared by native English-speaking lawyers, the book includes professional legal English terminology, practice-oriented examples and sample documents for use in your daily practice. Structured to provide a legal focus, a language focus as well as a practical focus, it helps you apply your professional legal expertise competently in various English-language situations.

American Legal English: Using Language in Legal Contexts provides a basic introduction to the U.S. legal system for non-native speakers of English. It combines elements of law with language to enhance non-native English speakers's ability to communicate with their legal counterparts in English. Reading, writing, listening, and speaking activities are included in each chapter. While a good basic knowledge of general English is presumed, there is no assumption that the students have any knowledge of the U.S. legal system or legal terminology. Collaborative, communicative activities are used throughout the text to engage student interest and involve them in the learning process. Realia, in the form of cases and statutes, is included so that students become comfortable with legal English and its sometimes difficult syntax. The text can be used for both law students and legal practitioners, in either intensive programs or those of longer duration. Non-attorney English for Specific Purposes instructors who have some interest in the legal field will be able to use the book and rely on the expertise of their students to create an effective learning environment in a Law and Language course. The organization of the book is by legal content, beginning with a broad overview of the system and how it works, then moving to specific areas of law such as torts or contracts. The book culminates in a mock trial, which provides students an opportunity to employ all of the skills and knowledge they have acquired during study of the preceding chapters. .

TOLES Legal English: Advanced English for Lawyers, Plain & Simple. International Legal English for Lawyers, Law Professionals & Law Students ("Master Legal Vocabulary & Terminology" TOLES Edition)Most lawyers whose first language is not English face a problem when it comes to setting time aside to improve their communication skills in English, mainly due to a lack of time. This self-study book aims to bridge that gap by providing a structured framework under which law students, lawyers and other law professionals can significantly improve their knowledge of Legal English, contract law and the English legal system.You will be taken through the main vocabulary and grammar structures in commercial contracts and allowed to practise them through highly targeted activities which aim to develop, not only your lexical and grammatical skills, but also your confidence and overall competence within international legal settings. At the end of the book you will find a link to a short glossary with all the main terms of contract law and legal English, together with a phrasal verb mini-dictionary which includes definitions and exercises to perfect your mastery of this area of English. This book provides a complete preparation for Advanced Legal English vocabulary and grammar (from Basic to Advanced level) in the TOLES exam (Legal English)

Comparative Law for Spanish-English Speaking Lawyers provides practitioners and students of law, in a variety of English- and Spanish- speaking countries, with the information and skills needed to successfully undertake competent comparative legal research and communicate with local counsel and clients in a second language. Written with the purpose of helping lawyers develop the practical skills essential for success in today's increasingly international legal market, this book aims to arm its readers with the tools needed to translate unfamiliar legal terms and contextualize the legal concepts and practices used in foreign legal systems. Comparative Law for Spanish-English Speaking Lawyers / Derecho comparado para abogados anglo- e hispanoparlantes, escrita en inglés y español, persigue potenciar las habilidades lingüísticas y los conocimientos de derecho comparado de sus lectores. Con este propósito, términos y conceptos jurídicos esenciales son explicados al hilo del análisis riguroso y transversal de selectas jurisdicciones hispano- y angloparlantes. El libro pretende con ello que abogados, estudiantes de derecho y traductores puedan trabajar en una segunda lengua con solvencia y consciencia de las diferencias jurídicas y culturales que afectan a las relaciones con abogados y clientes extranjeros. La obra se complementa con ejercicios individuales y en grupo que permiten a los lectores reflexionar sobre estas divergencias.
