The lonely Londoners - Samuel Selvon - Google Books

The Lonely Londoners Reviews This is Selvon's best work. It explores the lives of a group of West Indians mainly Trinidadians and Jamaicans who leave the Caribbean to live in London. They came looking for a better life and what they found was bitter coldness both from the unforgivable winters and the cold prejudice of the people they encounter.

The lonely Londoners. (Book, 1972) [WorldCat.org]

IN SAMUEL SELVON's The Lonely Londoners (set in the 1950s), Galahad, a Trinidadian immigrant into Britain, is talking with an English woman, Daisy. After their first date they are sipping tea in his basement bedsitter: 'You get that raise the foreman was promising you?' Galahad ask, for something to say.

Looking for a better life a group of West Indians face harsh conditions in London, including racism, bad weather, loneliness, and hard times

There have been many great and enduring works of literature by Caribbean authors over the last century. The Caribbean Contemporary Classics collection celebrates these deep and vibrant stories, overflowing with life and acute observations about society. 'Tiger thought, To my wife, I man when I sleep with she. To bap (father), I man if I drink rum. But to me, I no man yet.' Trinidad is in the turbulent throes of the Second World War, but the war feels quite far away to Tiger - young and inexperienced, he sets out to prove his manhood and independence. With his child-bride Urmilla, shy, bewildered and anxious, with two hundred dollars in cash and a milking cow, he sets out into the wilderness of adulthood. There is no map or directions for him to follow, he must learn for himself and find his own way. Suitable for readers aged 15 and above.

An uproarious exploration of Caribbean immigrant experience from one of the great writers of the twentieth century Moses thinks he's got it made. Originally a poor Caribbean immigrant, he is now the proud landlord of a ramshackle house in Shepherd's Bush, London. He has visions of being master of his own domain, writing his memoirs while his trusty sidekick and handyman, Bob, does all the work. But Moses' problems are far from over... Soon a Black Power group take over the basement, headed by the indomitable - but very sexy - Brenda, and an illegal people-smuggling ring is discovered upstairs. Not to mention harassment from racist police, sheep-slaughtering in the back yard and a Black Panther (the human kind) on the loose. Will Moses' elaborately constructed castle in the air be demolished by these unruly forces? Following the fortunes of characters from Selvon's *The Lonely Londoners*, *Moses Ascending* is a hilarious and telling depiction of 1970s Britain.

It has been more than 25 years since Moses Aloetta became one of the 'Lonely Londoners' in the novel of that name. Now - though an avowed Anglophile - he hankers for Trinidad, for sunshine, Carnival, and rum punch. With characteristic irony and delicacy of touch, Sam Selvon tells the story of Moses' re-encounter with his native land. This edition of the novel includes a new introduction to Selvon's life and work by Susheila Nasta, as well as a preface by 'Moses' that was written in 1992 for the first US edition of the work. This edition of *Moses Migrating* includes a new introduction to Selvon's life and work by Susheila Nasta, as well as a preface by 'Moses' that was written in 1992 for the first US edition of the work.

Tea & Cake London is a comprehensive guide to the best places to enjoy tea and cake across London. Charming, knowledgeable and often surprising, this lovely book seeks out more than 70 cafés, bakeries and tearooms worth discovering, from iconic establishments to modern classics and undiscovered gems. Celebrating the history and ritual of taking tea, while embracing London's currently thriving independent café scene, it brings together an eclectic collection of venues, all beautifully illustrated with evocative photography. Whether you're looking for a traditional afternoon tea, a casual café in which to gossip over a brew, a bakery selling elite buttery treats, innocent vegan delights or an oddball tearoom with a twist, Tea & Cake London has the answer. The book has 6 chapters, each focusing on a different face of London's tea and cake scene, from formal afternoon teas, patisseries and bakeries, right down to market stalls selling cake. Each entry highlights a special destination, and tempts you to indulge in a much-loved and very British pastime. And why resist? After all, there's fewer pleasures as simple or appealing as settling somewhere cosy, tucking into a slice of something nice, and sipping on a well-brewed cup of tea.

"Situating Caribbean Literature and Criticism in Multicultural and Postcolonial Studies is a pioneer in advancing the difficult but necessary argument of situating and centering Caribbean literature and criticism at the foundation of multicultural and postcolonial studies through an interdisciplinary, international, and intercultural manner, made possible by the author's unique multicultural and transnational interest and experience. *Situating Caribbean Literature and Criticism in Multicultural and Postcolonial Studies* argues that Caribbean criticism - shaped by the region's socio-economic, political, and historical phenomena has a more complex and significant marriage with postcolonial and multicultural studies than acknowledged by the international community. Caribbean scholars should not only seek to legitimize and publicize the marriage and its depth, but also expand the borders of its scholarship and protest its "disneyfication" and prostitution."--BOOK JACKET.

"I see trouble. Plenty trouble." The village obeahman Manko foresees trouble when an Englishman Garry Johnson comes to stay in the cacao estate of his friend Roger Franklin in Trinidad. Before long his prophecy is fulfilled when the visitor falls in love with the lovey Indian Sarojini. What had been a carefree atmosphere quickly evaporates, replaced with a tension-filled air full of jealousies, rivalries and intrigues as three races interact in post-independence Trinidad.

The Essays in this book are meant to address a general audience although most of them offer readings which should be of interest to specialists. Mervyn Morris, himself a writer and critic, deliberately

sets out to question the attitudes and judgments of professional their critics, "I am often defending writers against critics, especially when I believe that inappropriate criteria have been involved," say Morris in his Preface to the collection. The first nine essays are concerned with the interplay between oral and scribal modes, performance and print, Standard English and Creole. Some of the later essays continue to highlight fusion, cultural interchange and creative traffic across borders.

Understanding the Victorians paints a vivid portrait of this era of dramatic change, combining broad survey with close analysis and introducing students to the critical debates taking place among historians today. Encompassing all of Great Britain and Ireland over the whole of the Victorian period, it gives prominence to social and cultural topics alongside politics and economics and emphasises class, gender, and racial and imperial positioning as constitutive of human relations. This second edition is fully updated throughout, containing a new chapter on leisure in the Victorian period, the most recent historiographical research in Victorian Studies, and enhanced coverage of imperialism and working-class life. Starting with the Queen Caroline Affair in 1820 and coming up to the start of World War I in 1914, Susie L. Steinbach uses thematic chapters to discuss and evaluate topics such as politics, imperialism, the economy, class, gender, the monarchy, arts and entertainment, religion, sexuality, religion, and science. There are also three chapters on space, consumption, and the law, topics rarely covered at this introductory level. With a clear introduction outlining the key themes of the period, a detailed timeline, and suggestions for further reading and relevant internet resources, this is the ideal companion for all students of the nineteenth century.
