Throughout his life, Shanker also fought for "tough liberalism," an ideology favoring public education and trade unions but also colorblind policies and a robust anticommunism--all of which, Shanker believed, were vital to a commitment to democracy. Although he had a coherent worldview, Shanker was a complex individual.

Tough Liberal. Book Description: In Woody Allen's 1973 film, Sleeper, a character wakes up in the future to learn that civilization was destroyed when "a man by the name of Albert Shanker got hold of a nuclear warhead." Shanker was condemned by many when he shut down the New York City school system in the bitter strikes of 1967 and 1968, and he was denounced for stirring up animosity between black parents and Jewish teachers.
