Wellness Centers A Guide For The Design Professional
Many companies are located in dense urban centers, which provides a cost-effective yet highly popular employee wellness program: biking to work. Encouraging employees to either walk or bike to work, even if this requires them to take public transportation, helps make exercise a regular part of their day and also reduces carbon emissions.

Workplace wellness: A guide for HR leaders – Spring Health
The JPMorgan Chase Health & Wellness Centers Plan offers employees the convenience of onsite medical support when an unexpected illness arises. The Health & Wellness Centers also provide Wellness Screenings and other activities as part of the company's commitment to your health. The JPMorgan Chase Health & Wellness Centers Plan is designed to supplement your routine health care by providing access to care if you have a medical emergency, injury, or the sudden onset of an illness.

One of the newest wellness centers in India, AyurYoga Eco Ashram stands out for its unique approach of applying yoga and Ayurveda in a practical way for today's modern world. Rather than focusing on asanas (postures), the aim is to offer an authentic and traditional understanding how yoga and meditation can be used in daily life. The programs and retreats are ideal for those who are looking for long-term lifestyle changes to mind and body.
