"Inspired by the true story behind Jackie Kennedy's iconic outfit, Kelby has stitched a compelling tale of politics, fashion and history." -- People On November 22, 1963, Jacqueline Kennedy accompanied her husband to Dallas dressed in a pink Chanel-style suit. Much of her wardrobe, including the pink suit, came from the New York boutique Chez Ninon where a young Irish immigrant named Kate worked behind the scenes to meticulously craft the memorable outfits. Kate is torn between the glamorous world

of Chez Ninon and her traditional Manhattan neighborhood. Finding balance is not easy in a time when women are still expected to follow the rules. And when you're in love, it's impossible. Kelby's luxurious narrative gives fascinating insight into the real story behind the iconic pink suit, introducing the reader to the wildly unforgettable characters that made Jackie Kennedy into the fashion icon of the century.
